

# Medication Management Do's and Don'ts

**Thursday, July 19, 2018**

**10:00 AM - 11:00 AM**

**Venice Japanese Community Ctr**

**12448 Braddock Dr., Los Angeles, CA 90066**

**RSVP to VJCC Office 310-822-8885**

**A**lmost one third of people 57-85 take more than five medications. The more medications one takes, the higher the risk for adverse drug events. Approximately 800,000 preventable adverse drug events occur each year, some lead to hospitalization or even death.

What are common medication mistakes? What does one need to discuss with his or her doctor? What are safety tips while at home or when traveling? Come learn about these key factors and much more, hosted by Erika Brown, MSW from L.A. City Department of Aging.

As a covered entity under Title II of the Americans with Disabilities Act, we do not discriminate on the basis of disability and upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities. If you need any accommodations, including assistive devices, please contact the Department of Aging 72 hours prior to the event.
